

Photography

You will use Boston as your inspiration to create an image portfolio. You will learn how to use different cameras and settings for the best effect. During the digital photography component you will learn to manipulate and print digital images on a computer before printing electronically.

WHAT'S INCLUDED

TUITION
21 hours tuition comprised of class time in the studio and on-location photography around Boston working towards a final presentation and digital sketchbook.

ACTIVITIES
We offer a variety of onsite evening activities including sports, discos and team games. Our activities provide opportunities for students to have fun and make international friends.

EXCURSIONS
Excursions allow students to really get to know the USA. We use destinations such as Downtown Boston as a classroom, where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE
Awarded for the successful completion of the course.

LEARN FROM ART AND DESIGN PROFESSIONALS

Our lecturers are all working professionals who will bring valuable industry experience to the programme.

BROADEN YOUR SKILLS IN THE INDUSTRY

During the film photography component you will learn all about taking and developing your own photographs from initial concept to printed image. If you have your own prosumer SLR or mirrorless camera with lens please bring it with you.
