CGS Summer Courses

Our Academic Summer Courses

CATS COLLEGE, CAMBRIDGE, UK

Our large purpose-built campus, located near the city centre and close to the prestigious University of Cambridge, provides amazing facilities for a state-of-the-art experience. Our boarding house is connected to the school and offers single rooms en-suite.

VISIT OUR WEBSITE FOR MORE DETAILS

STEM & English

For students who are interested in how science, technology, engineering and mathematics can be used creatively to solve problems. Students combine STEM with English to improve their accuracy and fluency in an engaging environment.

THE WORTHGATE SCHOOL, CANTERBURY, UK

The beautiful Victorian Worthgate School campus is located near to the city centre, close to the River Stour and the main shopping area. Our boarding facilities provide you single or twin en-suite rooms.

VISIT OUR WEBSITE FOR MORE DETAILS

Careers in Medicine

For students who want to explore the different career options in Medicine. Learn about the huge variety of medical careers from nursing and neuroscience to psychology and physiotherapy.

Model United Nations

For students who are interested in international relations with the curiosity and courage to challenge and be challenged! The course culminates in a simulated United Nations conference.

NEW! BOSWORTH INDEPENDENT SCHOOL, NORTHAMPTON, UK

The Bosworth Independent School is a prestigious public school founded in 1897 and located in Northampton. Residential accommodation is onsite in one of six boarding houses in a variety of singles and shared rooms, with shared bathrooms.

VISIT OUR WEBSITE FOR MORE DETAILS

New! STEM

For students who are interested in how science, technology, engineering and mathematics can be used creatively to solve problems.

New! IELTS Preparation

The IELTS examination is an internationally recognised examination most commonly taken by students applying to study higher education courses taught in English. The course provides intensive exam preparation with a focus on the skills required for students to perform to their highest ability in this challenging exam.

GUILDHOUSE, LONDON, UK

The Guildhouse London building is located in the exclusive Bloomsbury Square, in central London. Our residential accommodation is a 3 minute-walk away from the school, with single and twin rooms en-suite.

London Academic Explorer

This project-based course is designed to have a dramatic effect on the student's performance in English, with focus on skills to deliver success in later academic and professional life, while exploring London.

Bloomberg Business Advantage

For students looking for a competitive edge in business, finance and economics and those who want to develop their business awareness, skills and experience. You will complete the Bloomberg Market Concepts certification.

New! STEM & English for Science

For students who are interested in how science, technology, engineering and mathematics (STEM) can be applied in the real world, using Central London as the platform! Students combine STEM with English to improve their accuracy and fluency in an engaging environment.

VISIT OUR WEBSITE FOR MORE DETAILS

New! Branding & Advertising (in partnership with CSVPA)

Students will learn all about how visuals communicate messages and create stunning designs for logos, ads, and artistic direction. They will dive into essential topics like arranging elements on a page, picking colours that grab attention, and using fonts effectively. We'll explore how photos and drawings can tell compelling stories when combined. By the end, you'll have the tools to create convincing visuals that speak volumes.

CATS ACADEMY, BOSTON, USA

CATS Academy Boston offers a state-of-the-art campus located in Braintree, 20 minutes from central Boston. All boarding accommodation is on campus, with single rooms en-suite.

STEAM Course

For students who would like to focus on the application of Science, Technology, Engineering, Art and Maths to a series of real-world problems. Our Innovation Lab allows our students to explore ideas, experiment with materials and build their own devices.

Ivy League Preparation

For students interested in exploring top university options and attend workshops on preparing for American college admissions. You will develop your English skills and prepare for the TOEFL and SAT.

Coding Course

This course will combine lessons, lectures and workshops to engage and inspire students who are interested in coding and modern technology.

New! Young Professional Certificate

An engaging orientation to the professional world for young aspiring professionals. Through a mixture of lectures and case studies, our students learn to apply key marketing concepts and analytical tools such as the marketing mix, customer profiling and consumer behaviour, and investigate topics such as Corporate Social Responsibility.

DETAILS

OUR CREATIVE COURSES

CSVPA, Cambridge, UK

Located right in the centre of Cambridge, near its main attractions, CSVPA provides students with access to great facilities, including studios designed to operate as professional ones. Our single room en-suite residential accommodation is within easy access to CSVPA buildings.

3D Design

You will be introduced to drawing techniques, 3D making skills as well as product photography.

Acting

Professional performers will lead students through drama exercises designed to help develop creativity, spontaneity, freedom and authenticity in performance.

Animation

Throughout the course you will become familiar with storyboarding, 3D modelling, sculpting, animation and rigging along with relevant software.

Fashion

Through workshops you will experience a range of new techniques aimed at building a basis of creative skills in Fashion.

Fashion Communication

Explore the world of fashion communication and get an introduction to the fashion media industry.

New! Fashion Make Up

On this course students will develop, and practice makeup techniques and photography related to fashion.

Fashion Styling

Learn how fashion styling plays a key role in how we showcase who we are in society.

Film Making

This course will give you real insight into many aspects of cinematography and the world of film.

Game Design

You will think and work like a games designer and learn how to develop game narratives, characters and plots.

Graphics & Illustration

You will learn how your work can be manipulated through hand rendered techniques and finalised digitally to add to your portfolio.

Painting & Drawing

You will explore contemporary painting and drawing using Cambridge as your inspiration.

Photography

You will learn how to use different cameras and settings for the best effect, having Cambridge as your inspiration.

Portfolio Preparation

Learn how to construct your own digital portfolio, what to include and what to leave out and how to show your work at its best.

New! Music Production

This is a practical program for creation and recording. Students will develop studio production skills with professional music production software training.

Musical Theatre

In this course, students will become familiar with acting, voice, movement, improvisation, song, dance, and ensemble work.

CATS Academy, Boston, USA

For students looking for a creative summer programme in the USA, we have options in our modern and spacious CATS Boston high school campus, with accommodation onsite (single en-suite).

New! Film Making

This program is specifically designed for students looking to improve their videography and film making skills. It will give students real insight into many aspects of cinematography and the world of film.

Illustration & Comics

Students will develop skills across all phases of the comic book creation process. From writing to coloring, students will explore and experiment with the tools, formats, and different mediums.

New! Photography

For students looking to improve their photography and photo manipulation skills. You will use Boston as your inspiration to create an image portfolio. You will learn how to use different cameras and settings for the best effect.

Textiles & Fashion Design

This program is for artists looking to contribute to the ever-evolving fashion world. Students will discuss trends and the future of fashion, from gender and sustainability to materiality, and learn to apply those concepts to the design and creation of a finished garment to add to their portfolio—or better yet, their wardrobe.

STAFFORD HOUSE STUDY HOLIDAYS

OUR LANGUAGE SUMMER PROGRAMMES

VISIT OUR WEBSITE FOR MORE DETAILS

OUR LOCATIONS

CATS COLLEGE, CAMBRIDGE, UK

The modern CATS Cambridge campus is located near the city centre allowing students to enjoy everything Cambridge has to offer. The accommodation is on-site, in single en-suite rooms.

CATS ACADEMY, BOSTON, USA

Our "American dream" high school campus is just 20 minutes of central Boston, in beautiful Braintree. Features single rooms en-suite for our summer students located on campus.

WORTHGATE SCHOOL, CANTERBURY, UK

Our Canterbury school is located just moments from the centre of the medieval city and is perfect for those looking for that classic English adventure. Our residence provides you single and twin en-suite rooms.

COLUMBIA UNIVERSITY, NEW YORK, USA

Based at the prestigious Barnard College of Columbia University in New York City, our programme will offer students the exciting opportunity to explore some of the most famous sights the city has to offer, while getting a taste of what it is like to study and live at one of New York's premier colleges. Student accommodation is in traditional style college dormitories with 2 students per room, with a shared bathroom

GUILDHOUSE SCHOOL, LONDON, UK

Our school is in the heart of the upmarket Bloomsbury, central London, close to transport links and all the excitement and buzz of the capital. The accommodation is minutes away from the school, in single and twin rooms, en-suite.

UC BERKELEY, SAN FRANCISCO, USA

Founded in 1868 the University of California enjoys an excellent reputation and ranks as one of the top colleges in the U.S. Students will both live and study at this world-famous University situated just a short subway ride away from the heart of San Francisco. Residential accommodation is on-site, in single and twin rooms with shared bathrooms.

OAKHAM SCHOOL, OAKHAM, UK

Founded in 1584, Oakham School has established a reputation for academic and sporting excellence. The school buildings are located in very attractive surroundings around the town centre. Oakham itself is a beautiful market town in the countryside, near Cambridge. Residential accommodation is on-site, mainly in twin rooms or small dormitories with shared bathroom facilities.

OUR COURSES

CLASSIC ENGLISH

Our classic course combines English tuition with activities and excursions - these elements are linked together to enable students to put what they have learnt straight into practice.

NEW! CLASSIC ENGLISH + FIELD HOCKEY

Students receive expert tuition in areas including passing, receiving, ball control and individual/team defence. Coaching sessions will focus on movement control, synchronization, and rhythm to develop skills before moving on to match practice. The course is taught entirely in English so students build confidence in both their hockey skills and in using language to communicate in team environments.

INTENSIVE ENGLISH

On the intensive course we balance hard work with fun and there are plenty of opportunities for students to use the English they have learnt while also attending social activities and excursions.

CLASSIC ENGLISH + HORSE RIDING

As well as English language tuition, students will be taught how to groom horses, how to keep a horse and its stable clean, and how to use and handle riding equipment, as well as enjoying indoor and outdoor riding sessions with qualified instructors within the safe environment of the riding centre.

LONDON EXPLORER

An exciting way to combine exploring London with an integrated programme of English Language lessons.

CLASSIC ENGLISH + ADVENTURE ACTIVITIES

Besides English language tuition students on this course will participate in an exciting range of activities based mainly in and around Rutland Water, a reservoir and nature reserve near to the school. Activities may include various types of watersports, horse riding, climbing, building rafts and emergency shelters and orienteering.

CLASSIC ENGLISH + TENNIS

In addition to English language tuition, students will enjoy 9 hours per week of professional tennis coaching, including technical development for all shots used in the game together with an emphasis on the tactics and strategies required in match play.

CLASSIC ENGLISH + BASKETBALL COACHING

Besides English language tuition and social activities, students will have professional basketball coaching. The sessions are planned by coaches to develop each student's natural ability and skills.

MICHAEL OWEN'S RED STARS FOOTBALL SCHOOL

This is the ideal opportunity to combine language learning with coaching and the chance to be coached by former England International, and Liverpool captain, Mark Wright! The course has been specially designed by footballing legend Michael Owen and will help students to develop both individually and as a group.
