CANTERBURY

Stafford House Canterbury and The Worthgate School are located in a safe, university city, close to the beaches of the south coast and within easy reach of London.

WELCOME TO STUDY HOLIDAYS!

"I am delighted to present our 2025 brochure sharing details of all our summer and year round courses for individuals and groups! After another brilliant summer delivering a wide range of feature-packed courses that focus on our cornerstone values of excellent teaching, exciting activities, great facilities and a family atmosphere, we are gearing up for an even bigger year with new courses, centres and incredible 'Adventures in English' for 2025!"

Ruth Fenton, Director

For 2025, we are introducing two new international summer centres in Malaysia and in Miami in the USA. Both centres offer the opportunity to learn English in beautiful locations with many varied excursions and activities to enjoy.

In Malaysia, we will be offering courses at Forest City International School, which is a sister school within the CATS Global Schools group. Located on a beautiful, purpose-built campus, Forest City International School offers excellent classroom facilities and high-quality accommodation for groups. Excursions to Singapore are the highlight feature at our Malaysia centre, but students will also enjoy beach activities, science experiments and local trips (see page 50).

In the USA, we are pleased to confirm Miami as one of our worldwide destinations. Our Miami centre will be based on Barry University campus. The course offers opportunities to explore the Miami area, including trips to Fort Lauderdale and the Kennedy Space Center (see page 46).

Stafford House Study Holidays continues to offer a wide range of courses that offer students opportunities to learn and use English, whilst also gaining academic and creative skills or pursuing an interest in sports. Join us in 2025 for another great year of Adventure in English!

JOIN THE STAFFORD HOUSE FAMILY!

Here at Stafford House Study Holidays we are all about the student experience.

EXPERIENCE THE WORLD

We have 15 great locations situated across the UK, USA and Malaysia for groups and individuals during the summer and year round. Why not choose some of our speciality courses like Watersports or our Soccer School? We also provide an Academic Explorer programme for future Young Leaders, diving into case studies and intercultural communication. At Stafford House Study Holidays there is something for everyone!

A FUN, HOLISTIC APPROACH

Whether you choose a small town or big city location you will be fully immersed in an English-speaking environment, and be able to explore the things that you are most passionate about. Our Junior programmes provide daily English lessons as well as daily activities. Our excursions will give you the opportunity to go on historical adventures, marvel at famous landmarks and savour the excitement at incredible theme parks.

COMFORTABLE, SAFE ENVIRONMENT

A comfortable and creative environment helps you achieve your potential, and we choose the best centres to host our summer and year round programmes. We also take our food very seriously, ensuring all students have 3 healthy meals a day, including a hot lunch (packed lunches are also provided on excursions). A healthy and well fed student is one brimming with lots of positive energy and ability to learn more productively.

HEALTHY LEARNING

By ensuring we incorporate plenty of sports and physical activity into your daily routine we provide the opportunity to spend a lot of time outdoors enjoying nature, with various activities like Basketball, Adventure Activities and even Watersports in some of our centres! We also offer the opportunity for creative expression through our artistically inspired learning. Each centre has something unique to offer to meet everyone's demands.

BECOME IMMERSSED

With our social programme you can take part in dozens of exciting activities! Join in with a "Dragon's Den" style presentation, an International Party or maybe enter into one of our centre's talent shows. Each activity is an opportunity to meet with students hailing from over 50 countries around the world and a chance get to know their cultures and customs and make lifelong friendships along the way.

Make lifelong friends at Study Holidays!

BECOME A PART OF OUR PRIDE!

Our staff create an environment of happy and healthy experiences with a dedication to delivering the safest and most positive year round junior programmes.

PROGRESSIVE OUTLOOK

Stafford House Study Holidays is open and inclusive to everyone and in all our schools we ensure that students are treated equally and with respect, and in return treat others with the same approach.

DANCE INTO THE EVENING

We take our dancing very seriously at Stafford House Study Holidays and as such host various discos throughout each programme. Our disco evenings are a fun way for everyone to showcase their moves on the dance floor and simply let go! Dancing offers a wonderful opportunity for students to celebrate their hard work and achievements throughout the week. Everyone from our staff to the students is expected to put on their dancing shoes and go for it!

COMMUNITY

Our diverse nationality mix helps create an international community based on friendship and achievement. We know you will have the experience of a lifetime with the programme you choose, making Stafford House your home away from home for the summer or throughout the year!

STUDENT WELFARE

Our aim is to take exceptional care of each and every student that stays with us. Our centres and locations have all been selected for their safe and secure environments, and we offer high levels of supervision. We understand that you trust us to take care of your children and we take our responsibility very seriously.

STUDENT WELFARE OFFICERS

Our friendly, professional and well-trained teams of Student Welfare Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our school hygiene procedures and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

ONSITE NURSES*

Each of our residential centres in summer 2025 will have a nurse available onsite 3 days a week to assist students who are feeling unwell.

MEDICAL ROOM

If a student does begin to feel unwell during the school day a medical room will be available for them to isolate, relax and recuperate in a restful environment.

THOROUGH AND INFORMATIVE STUDENT INDUCTIONS

We want to make sure that each and every student that stays with us feels safe and secure in the school environment. Students will receive a warm welcome and thorough induction including information on how to stay safe during their stay.

SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.

YOUR STUDY HOLIDAY

Our aim is to take exceptional care of each and every student that stays with us. Our centres and locations have all been selected for their safe and secure environments, and we offer high levels of supervision.

STUDENT WELFARE

We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which is, of course, our top priority.

In addition, our 'team in pink' – our Student Welfare Officers – are at each centre, to ensure that all students have someone to look after them and to listen to them if they have any questions or need advice or support at any time. We are determined to provide the best possible experience for our students. From the moment they arrive and are greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

A WIDE RANGE OF EXCITING ACTIVITIES

A variety of fun activities are available at each of our centres both during the day and in the evenings. Students can select from a mixture of sports, dance, drama and team games.

For those who prefer to be creative we offer a range of arts and crafts as well as drumming, carnival and circus workshops. The fun carries on into the evening when students are able to enjoy discos, talent shows, international nights and much more. Our activities provide the perfect opportunity for students to use the English that they have learnt with international friends.

SPECIALIST COURSES

We also offer specialist courses such as Michael Owen's Red Stars Football School, World of Work courses and Classic PLUS courses ranging from horse riding to tennis, adventure activities to watersports!

TEACHING

Our aim is simple: to encourage students to use the language in realistic, cultural and fun situations. Each student will go home with a portfolio of their work along with tips and suggestions for further study. We activate student's knowledge and give them the confidence they need to communicate successfully.

A VARIETY OF GREAT EXCURSIONS

Our exclusive programme of excursions to historical, cultural and fun destinations is linked to motivating lessons that prepare students for visits to many of the UK and USA's most famous cities. We use major excursion destinations such as London, Cambridge and Oxford as a "classroom" where students are exposed to a wealth of history and culture through guided walking tours, educational materials and visits to museums, colleges, cathedrals and other attractions. We travel by private coach or train to our carefully planned tours, which enable students to visit famous landmarks and learn about the history and culture of the city. Additional attractions and excursions can be booked in advance (at extra cost).

School nurses are onsite at our residential centres

Our friendly Welfare Officers are always on hand to support students in all aspects of school life

*All residential centres in the UK and Boston in the US have onsite medical provision.

STUDENT EXPERIENCE

Our staff create an environment of happy and healthy experiences with a dedication to delivering the safest and most positive junior programmes.

ARRIVAL

To keep all students safe, every student's parents must complete our "Parental Consent Form" and send it to us before the course begins. This includes medical and emergency contact information. All of our individual students will be met by a representative at the airport and taken to their chosen centre. Group students will also be met at the airport by a Stafford House representative and travel in the care of their nominated Group Leader.

When students arrive they will be given a lanyard to identify them as a Stafford House student – this will include their name, school address and the emergency phone number for the centre and our Head Office. This means that in an emergency students will be able to contact us 24 hours a day, 7 days a week.

OUR TEAM

Our centre staff are carefully selected and trained to ensure they provide the very best care for students. All our staff are trained in child safeguarding and complete a British Council online course prior to arrival- we also have a Designated Safeguarding Person at each centre.

Our management teams (Centre Directors, Directors of Studies, Activities Managers and Welfare and Accommodation Managers) are there to make sure everything runs smoothly. Our teachers and Activity Leaders make sure that students learn lots of new words and phrases and use them in fun, creative, and safe ways.

Student Welfare Officers are often called our teams in pink- they are there to ensure that students have everything that they need to make their stay safe and comfortable and are always available to answer questions and provide support.

Group Leaders accompany our group students during their stay and are responsible for their students. They assist with all elements of student supervision. Throughout the day supervision is provided for all students and they are not permitted to leave the site without a staff member, Group Leader or authorised permission.

LESSONS

Class size is a maximum of 16 and students are supervised by their class teacher.

Our 'Team in pink' Student Welfare Officers are at each of our centres

DAILY STUDENT SUPERVISION

All students will have a key adult who they know they can call on if they need any help. For our group students this will be their Group Leader. All individual students will be allocated a Stafford House member of staff on arrival. They will check in on the students at key points during each day and will be available to help with any questions or concerns.

NIGHT TIME

At the end of our evening activity our staff ensure that students return to their accommodation during lights out. A member of staff is then on night duty and is fully contactable, all students will know where to find them during this period if there is anything that they need.

FREE TIME AND MEAL TIMES

Group Leaders and Stafford House staff will supervise common areas and outdoor spaces and provide support as required. At centres where individual students are allowed unsupervised free time (with parental permission) they must follow our school rules, and return back on time to allow these permissions to continue. For students who do not follow these rules free time privileges will be withdrawn as per our student disciplinary procedure.

ACTIVITIES

Activities are compulsory for students (individual students 16 and over are able to negotiate free time with parental permission with centre management). Activities will be run and supervised by our staff with the assistance of our Group Leaders.

EXCURSIONS

Stafford House staff and Group Leaders will accompany students on all trips and visits. When appropriate to do so students will have the potential to be given some free time in small groups. This will depend on factors such as location, age, weather and how busy the area is. 8-11 year olds - no unaccompanied free time, 12-15 year olds - 1 hour of free time, 16 plus year olds - 2 hours free time. A monitored meeting point will be arranged so students can return at any time.

For more information please see our school rules at:

SUMMER COURSE OPTIONS

ENGLISH LANGUAGE COURSES

We offer a range of different courses to choose from during the summer months. Our Classic courses are offered at multiple centres and excellent for building communication skills and confidence. The Intensive course offered in Canterbury and The London Academic Explorer are perfect for developing knowledge and skills with many opportunities to practise learning. The London explorer programme provides an opportunity to get to know the UK's most popular city through walking tours, visits and lessons. Students can also receive focused instruction in our IELTS Exam Preparation course. For more information, please refer to the Summer Courses for Individuals brochure.

COURSE TITLE	KEY INFORMATION	COURSE OVERVIEW
CLASSIC COURSE	<p>ENGLISH LESSONS: 15 hours per week</p> <p>LOCATION: Most of our centres</p>	<p>Our classic course provides the perfect learning adventure through a combination of lessons, activities and excursions. The academic programme is dynamic, interactive and designed to build confidence and motivate students. Linking our activities and excursions to classroom learning enables students to put what they have learnt straight into practice. The onsite activities programme is both varied and fun with sport and creative options. Each day ends with an energetic evening activity which encourages students to socialise with new friends. Excursions provide a great opportunity to really get to know local places of interest.</p>
LONDON ACADEMIC EXPLORER	<p>ENGLISH LESSONS: 17.5 hours per week</p> <p>LOCATION: London Bloomsbury</p> <p>MINIMUM LEVEL: Pre-Intermediate</p>	<p>The Academic Explorer Programme is designed to have a dramatic effect on students' performance in English. Focusing on intercultural communicative success in English with outcomes focused on successful communication and presentation skills. Students also develop academic note-taking skills and rhetorical techniques.</p>
INTENSIVE ENGLISH	<p>ENGLISH LESSONS: 23 hours per week</p> <p>LOCATION: Canterbury</p>	<p>The Intensive Course focuses on developing each of the four skills, including speaking, listening, reading and writing as well as expanding knowledge of vocabulary and grammar. Students will follow level-appropriate course materials that are carefully selected to engage and allow participants to really improve their communicative skills. Afternoon lessons take the form of two 1-hour modules – the first of which has a skills focus and options may include language games or authentic listening and discussion.</p> <p>The second module will allow students to really focus on what interests and inspires them and past topics have included science and nature, musical English and discovering the UK. Modules aim to improve not only language skills but also encourage teamwork and collaboration with classmates.</p>
LONDON EXPLORER	<p>ENGLISH LESSONS: 15 hours per week</p> <p>LOCATION: London Bloomsbury</p>	<p>Students will take part in 15 hours of English lessons per week that follow our classic topic-based syllabus. There will be plenty of time for pair and group work as well as development of vocabulary. During our half-day sightseeing tours the city of London becomes the classroom and students will explore a diverse selection of areas including Westminster, Covent Garden and Oxford Street. A range of museums will also be visited including The British Museum, The Science Museum and The Natural History Museum. In London there really is something to capture everyone's interest.</p>
IELTS EXAM PREPARATION	<p>ENGLISH LESSONS: 22.5 hours per week</p> <p>LOCATION: Northampton</p> <p>MINIMUM LEVEL: Intermediate</p>	<p>The IELTS examination is an internationally recognised examination most commonly taken by students applying to study higher education courses taught in English. The course provides intensive exam preparation with a focus on the skills required for students to perform to their highest ability in this challenging exam. The course features a combination of language teaching, exam preparation and mock examinations. Information on booking an IELTS test during or at the end of the course is provided on application.</p>
TRINITY EXAMINATIONS COURSE	<p>ENGLISH LESSONS: 15 hours per week plus 2 exam preparation sessions</p> <p>LOCATION: All UK centres (groups only)</p>	<p>The Trinity GESE (Graded Examinations in Spoken English) examinations are an internationally recognised qualification and are ideal as a motivational end-focus for students. The supplement includes 2 lessons to help them understand what to expect during the exam and to help them with strategies to pass the exam. The exam will be taken during the final week of the course.</p>

CLASSIC PLUS COURSES

We have a variety of Classic Plus courses at our centres offering students a full programme of English tuition with a host of exciting activities and excursions. All Classic Plus courses offer a full evening activity programme, providing students with opportunities for fun and to make international friends.

Students will enjoy 9 hours per week of professional tennis coaching. The sessions will include technical development for all shots used in the game including groundstrokes, serve, return of serve and net play, together with an emphasis on the tactics and strategies required in match play, including court positioning for both singles and doubles matches.

This course is designed to enable students to build their confidence in the water while having fun. Students can enjoy the Aqua Park with its trampolines, slides, hurdles and 3 metre jumping points. They will also be able to try their hand at Kayak and SUPing and enjoy paddling around the tranquil freshwater lake. For those looking for more adventure, cable wakeboarding or kneeboarding is available.

We will provide students with 9 hours per week of basketball coaching by accredited coaches. The training will focus on all the skills and techniques used in the game, including dribbling, shooting, passing, court awareness and teamwork. Students are encouraged to practise and demonstrate what they have learnt, through competitive exercises, culminating in an exciting tournament each week.

Students on this course will participate in an exciting range of activities based mainly in and around Rutland Water, a reservoir and nature reserve near to the school. Activities may include various types of watersports, horse riding, climbing, building rafts and emergency shelters, orienteering, and a guided cycle ride around Rutland Water.

Students will be taught how to groom horses, how to keep a horse and its stable clean, and how to use and handle riding equipment, as well as enjoying indoor and outdoor riding sessions with qualified instructors within the safe environment of the riding centre.

WHAT'S ON THE MENU?

We know how important food is for children and young people, especially when they are away from home. We always offer a good variety of food for each meal.

- For breakfast, there is a continental breakfast every day, including a cooked item or cold meat and cheese, and a hot breakfast at least once a week.
- For lunch and dinner, we provide hot meals with a choice of main courses, including a vegetarian option. We also ensure there is always a salad bar including cold protein items such as ham, egg or cheese.
- There is also fresh fruit and yoghurt available every day. For Saturdays and Sundays we provide a packed meal to facilitate excursions and activities.
- We are able to cater for different diets providing we have prior warning at the time of booking, such as coeliac, vegetarian, nut allergy and halal.
- All students are given something to eat when they arrive, no matter what the time is.

TYPICAL BREAKFAST

- Selection of cereals
- Toast and preserves
- Boiled egg
- Natural yoghurt and fruit puree
- Cheese and turkey slices
- Fresh fruit
- Tea and coffee
- Fresh fruit juices

COURSE OVERVIEW

Our Model United Nations course provides a unique opportunity to explore the world of international affairs. Participants will build up a portfolio of work by collating information regarding their assigned country, conducting issue research, creating an opening speech and generating discussion points. The course will include dynamic lessons, group work to discuss issues raised and build and develop viewpoints, as well as independent study where students develop their portfolio and work on individual speeches. The course will also include educational visits such as a trip to a local university or the British Library for research. The programme will end with a final United Nations conference.

For students who want to explore the different career options in Medicine. Learn about the huge variety of medical careers from nursing and neuroscience to psychology and physiotherapy. You will gain an understanding of university applications as well as the requirements needed for UKCAT, the medical school entrance exam.

The course includes lessons and practical workshops with experiments to apply theoretical knowledge. Students will complete a first aid course and conduct a Science Crest Award medical research project.

For students who are interested in how science, technology, engineering and mathematics can be used creatively to solve problems. Students explore scientific topics, developing key skills such as critical thinking, creative problem solving and teamwork. English lessons work on improving accuracy and fluency with a focus on scientific vocabulary and usage. Potential workshops and experiments include topics such as cauliflower cloning, strawberry DNA extraction and building a volcano. Students will also go on educational visits to the National Space Centre, Bletchley Park and the National Museum of Computing as well as enjoying a Space Masterclass.

For students looking for a competitive edge in business, finance and economics and those who want to develop their business awareness, skills and experience. On this challenging course you will complete the Bloomberg Market Concepts certification (BMC), an eight module course that will give you a solid foundation on a Bloomberg Terminal used by financial traders all over the world. Using the Bloomberg Terminal computer software system, this course is a fantastic opportunity to work with a world-renowned system designed for professionals in the finance sector to monitor and analyse real-time financial market data. Students will explore a variety of different elements of business including economic indicators, currencies, fixed income, equities and Environmental Social & Governance (ESG). Students will use the Bloomberg Terminals to conduct their own research which they will collate and present to a panel of judges on the final day of the course.

For students who are interested in how science, technology, engineering and mathematics (STEM) can be applied in the real world, using Central London as the platform! Students combine STEM with English to improve their accuracy and fluency in an engaging environment. Develop the skills you need to be a world-class STEM professional - thinking critically, working in teams, and linking theory with experimentation. Students will take part in interactive lab-based lessons, demonstrations, and science-based English lessons as well as visits to relevant local places of interest in London. Interactive lab-based lessons including a dissection, combustion of chemicals and designing a car. Visit destinations may include the Science Museum, Olympic Park and London Film Museum.

English lessons will develop each of the four skills as well as knowledge of scientific vocabulary and grammar necessary to present their ideas in appropriate English.

Discover the exciting world of visual arts! Delivered at CSVPA London, students will learn all about how visuals communicate messages and to design and create logos and packaging concepts and design video campaigns and promotional displays. They will develop key knowledge and skills, including using the latest digital software, combining text, photos and/or drawings and picking appropriate colours.

Participants will take part in lessons and laboratory based workshops as well as visiting local places of relevant interest. Potential workshops include topics such as Lego Robotics, Python and Raspberry Pi Coding and Smartphone Spectrometer. Visit destinations may include the National Space Centre, Bletchley Park and a Silverstone Museum Tour.

Participants will take part in interactive lessons and laboratory based workshops as well as visits to local places of interest. Potential workshops include fun and engaging topics such as engineering, programming and robotics challenges. Educational visit destinations may include the National Space Centre, Bletchley Park and Silverstone race track.

COURSE OVERVIEW

Explore ideas, experiment with materials, and build your own devices in the CATS Innovation Lab on campus such as robots, wearable technology and rockets. At CATS Academy, the city of Boston and its environs will serve as an extension of your classroom through visits to Harvard, Boston Aquarium and MIT Museum. You will meet local artisans, engineers, scientists and entrepreneurs to enhance your learning. This program will inspire you to apply your knowledge of Science, Technology, Engineering, Arts and Math.

The course includes learning the strategies needed to get a competitive score for TOEFL and SAT, learning how to optimize your application including resume building and essay writing skills, lectures and workshops with university admissions counsellors and educational visits to Harvard and MIT.

An engaging orientation to the professional world for young aspiring professionals. Through a mixture of lectures and case studies, our students learn to apply key marketing concepts and analytical tools such as the marketing mix, customer profiling and consumer behaviour, and investigate topics such as Corporate Social Responsibility. Through project work students develop communication skills in teamwork and presentations that will prepare them for professional success.

For students who want to apply their drawing talents to the art of comic book storytelling. You will gain an understanding of effective visual storytelling techniques as well as best practices for the comic creation process. Using traditional materials such as pencil and ink, you will create a visual narrative accompanied by a written script.

Lesson time will focus on design, illustration, pattern draping and drafting, and garment construction. Students will spend time in the fashion studio sewing, finalizing their design projects and applying finishing techniques to garments.

For students looking to improve their photography and photo manipulation skills. You will use Boston as your inspiration to create an image portfolio. You will learn how to use different cameras and settings for the best effect. During the digital photography component you will learn to manipulate and print digital images on a computer before printing electronically.

This program is specifically designed for students looking to improve their videography and film making skills. It will give students real insight into many aspects of cinematography and the world of film. Whilst being fun and informative, students will leave with a real sense of achievement as the course culminates in the screening of their own films created on the course.

Summer School at CSVPA

At Cambridge School of Visual & Performing Arts we offer a range of diverse and creative summer courses.

If you are passionate about the arts and want to explore your creativity with other young artists then spend the summer with us. Our summer courses are also an excellent way to prepare for full time study!

Accommodation

Our accommodation is located in safe, comfortable surroundings, with single en-suite rooms and within walking distance of the campus. We offer a balance between supervision and independence to make sure that you are comfortable and happy in your accommodation.

Meals

Meals are included within the fees and include breakfast, lunch and evening meals all served on campus in the cafeteria.

Evening Activities

Evening activities are compulsory for all students under 18 years old. Activities might include under 18s club night, the cinema, games or music in the park, bowling, a ghost tour or a quiz night

Excursions

Saturday excursions are compulsory for under 18 year old students. Every week we organise a different trip giving you the opportunity to explore UK attractions. For example, trips might include visits to the V&A, Tate Modern, Tate Britain, Science Museum, Natural History Museum or Southwold Beach. Saturday trips include transport, ticket entry and packed lunches.

COURSE OVERVIEW

This fashion course will introduce the design side of the industry. Guided by a specialist teacher, students will learn about pattern cutting, fabric manipulation, machine sewing and other aspect of fashion design. They will access the fully-equipped studios at CSVPA.

Fashion communication is a multiskilled creative discipline. Through fashion illustration, digital skills, brand development and creative manuals students are introduced to the key areas of visual communication within the fashion industry. All workshops will be carefully planned to teach skills needed to build a knowledge that equips you for further education in fashion communication.

This Fashion Makeup course will introduce various techniques that are fundamental for an aspiring make up artist. Students will learning about contouring, blending and eye make up with a focus on creating a look. Students will work in studio with the guidance of a specialist teacher within a creative, collaborative and fun environment.

We will research and understand how fashion styling is the modern way of story telling. Famous editorials of fashion have gained recognition because of their use of clothing to re-tell stories invented by fashion stylists. Looking at cinematography and nature we will explore how a fashion image is made. Fashion is much more than clothes, it's also about the stories we tell of our identities.

Using both traditional and digital techniques students will explore contemporary communication design and narrative Illustration. By experimenting with a wide range of skills they will produce work that demonstrates aspects of both Graphical and Illustrative theory and studio based processes. They will leave the course with digitally printed examples of their work.

Using a wide range of mark making techniques in different materials students will explore contemporary painting and drawing using Cambridge as inspiration and being guided by an expert tutor.

This unique, tailored programme is designed especially for students who want to develop a digital portfolio. Over three weeks, students learn new methods and practices to develop their artistic skills and knowledge which are then added to a portfolio.

COURSE OVERVIEW
<p>This one-week 3D design course will give you the opportunity to explore different iconic materials used in product design, researching their properties and uses throughout history. You will be introduced to drawing techniques, 3D making skills as well as product photography allowing you to explore the product design process from concept development through to design. Access will be given to the college's workshops giving you the opportunity to experiment and investigate materials before creating your 3D product.</p>
<p>You will use Cambridge as your inspiration to create an image portfolio. You will learn how to use different cameras and settings for the best effect. During the digital photography component you will learn to manipulate and print digital images on a computer before printing electronically.</p>
<p>This exciting one-week course is ideal for any budding animator who wants to develop their traditional and digital animation techniques. Over the course of the week, you will understand the fundamental principles of character design, layout, story boarding and animation. Using cel and stop motion character animation, together with editing conventions you will learn how to produce animated sequences and stories.</p>
<p>Aimed at individuals who live for games, this creatively and technically demanding one-week course explores the creative possibilities in developing your own game. Using a range of software packages to create 3D characters and backgrounds you will learn how to develop game narratives, characters and plots. You will begin to think and work like a games designer, understanding how to create game challenges, rules and logic. It will give you an important first step into understanding the games industry and ideal for students who are thinking about future development of their ideas into a more substantial piece of work.</p>
<p>This course will give you real insight into many aspects of cinematography and the world of film. Whilst being fun and informative you will leave with a real sense of achievement as the two weeks culminate in the screening of your films.</p>
<p>In the first week, professional actors will lead you through drama exercises designed to help develop creativity, spontaneity, freedom and authenticity in performance. In the second week, the ensemble work together to rehearse a short production, performed for an invited audience.</p>
<p>Music Production course will take students through elements of songwriting, production techniques, sequencing and recording in Logic, mixing, and mastering. Alongside practical and challenging projects our professional instructors will also give students valuable music industry information around promotion and releasing music.</p>
<p>This popular, fun and challenging course is lead by theatre professionals, all of whom have worked on stage and/or screen and have extensive teaching experience. Students can expect a series of rigorous and intensive classes per week in singing, dancing and acting, geared towards a cabaret style performance at the end of the second week.</p>

BOURNEMOUTH COLLEGIATE SCHOOL

CLASSIC COURSE | CLASSIC PLUS: WATERSPORTS

Bournemouth Collegiate School is fantastically located and is just a 5-minute walk from the stunning beaches of Southbourne and 10 minutes from the centre of the town. With seven miles of golden sands and sparkling sea, the vibrant cosmopolitan town of Bournemouth has it all. It is possible to explore a vast variety of shops, restaurants, and endless beautiful countryside. The school is just a short distance from the New Forest, where ponies, cattle, and deer roam free.

Bournemouth Collegiate School has a wonderfully rich tradition, the building dates back to 1860 and the school, 1899

EXCURSIONS

One full-day excursion per week is included. Destinations may include London, Oxford or Bath. Two half-day excursions per week are included, destinations may include Winchester, Stonehenge or Salisbury. Optional Excursions can be booked to destinations such as Windsor Castle or Brighton.

ACCOMMODATION

Two types of residential accommodation are available. Our standard accommodation is located on the school campus and is made up of shared rooms with shared bathrooms. Our Premium single ensuite rooms in our Lyme Regis House residence are a short shuttle bus ride from the college, with buses running each morning and evening. All students have hot lunch and hot dinner in the school canteen Mon-Fri.

MICHAEL OWEN'S RED STARS FOOTBALL SCHOOL

This unique course includes coaching and interaction with some of the stars of world football! Open to students of all abilities and fans of all clubs this course includes a full-day excursion to a London Football Stadium, a free kit pack including socks, shorts and shirts as well as a personalised drinks bottle. Students will benefit from individual sessions with Mark Wright, former Liverpool and England defender.

COACHED BY EX-INTERNATIONAL PLAYERS

The 15 hour per week coaching programme has been written exclusively for Stafford House Study Holidays by football legend Michael Owen and will be overseen by ex-Liverpool Captain and England International Mark Wright, alongside other fully qualified and experienced coaches.

THE COURSE FEATURES:

- This programme gives students an opportunity to improve their football skills under the guidance of specialist Red Star football coaches.
- Coaching sessions are carried out by specialist coaches working directly with three groups of players: Level 1, Level 2 and Level 3 in order to maximise the potential of all players.
- Individual sessions with Mark Wright, former Liverpool and England defender.

Ex-England International, Mark Wright, coaches the course

COACHED BY THE VERY BEST!

- An individual and bespoke video will be given to each player at the end of the course. The video will feature the coach talking to the player and providing their assessment of the player's strengths and weaknesses as well as giving suggested practice drills and areas for continued improvement.
- The end of course presentation event will include four signed shirts from Michael Owen along with associated trophies.

THE LANGUAGE COURSE

- The academic programme is dynamic, interactive and designed to build confidence and motivate students.
- Linking our activities and excursions to classroom learning enables students to put what they have learnt straight into practice.
- In addition to formal language input, the course will involve pair and group work as well as role plays and opportunities to use the language practically.

AGE: 8-17 years for groups, 12-17 years for individuals
DURATION: 2 weeks - open to boys and girls
LOCATION: Oakham
LESSONS: 15 hours of English lessons per week based around football
COACHING: 15 hours of football coaching per week

BOSWORTH INDEPENDENT SCHOOL

STEM | IELTS PREPARATION | JUNIOR STEM | CLASSIC COURSE

The Bosworth Independent School is a prestigious public school founded in 1897 and located in Northampton. The 'School of Princes' makes a real impact with the beautiful Newton Building opposite an 118 acre open space containing football pitches, basketball courts, tennis courts, athletics track and many other sporting facilities. The school has onsite accommodation making it an ideal summer centre. Northampton is the perfect combination of bustling urban life and peaceful countryside - you'll be studying at the centre of the heart of England.

TAILORED GROUPS ALL YEAR ROUND

BRACKNELL | DOVER | CAMBRIDGE | CANTERBURY | LONDON

At Study Holidays we strive to capture that summer feeling - all year round. In addition to our renowned summer programmes we offer the opportunity for groups to visit some of our best centres all throughout the year.

CUSTOM EXPERIENCES DESIGNED TO THE DETAIL

Alongside the course content, we can offer a bespoke calendar of cultural and social activities, meal plans (with specific dietary requirements if required) and assistance with particular travel arrangements and accommodation types, ensuring that every aspect of your experience is tailored to your needs and expectations.

TAILOR MADE COURSES TO SUIT YOUR NEEDS

Whether your group is looking for specialised course content for academic, cultural or professional purposes, we work with you to understand your requirements and objectives, and use that understanding to design a highly effective teaching programme. We can create bespoke, tailor-made courses for groups, from 1-4 weeks duration, designed according to the needs and interests of the group. Previous tailor-made courses have included short (2-4 week) exam preparation course, a one-week 'Shakespeare' course with theatre visits and student performance and teacher training programmes for groups of teachers from Spain, Italy and China.
