All of our students become part of the CSVPA family, a vibrant, multicultural community of highly creative people who share common dreams and ambitions.

On our CSVPA summer courses, you will make friends, sharing ideas and experiences that elevate your work and inspire you to explore your own creativity.

All of our studios are designed to look, feel and operate like those you would work in during

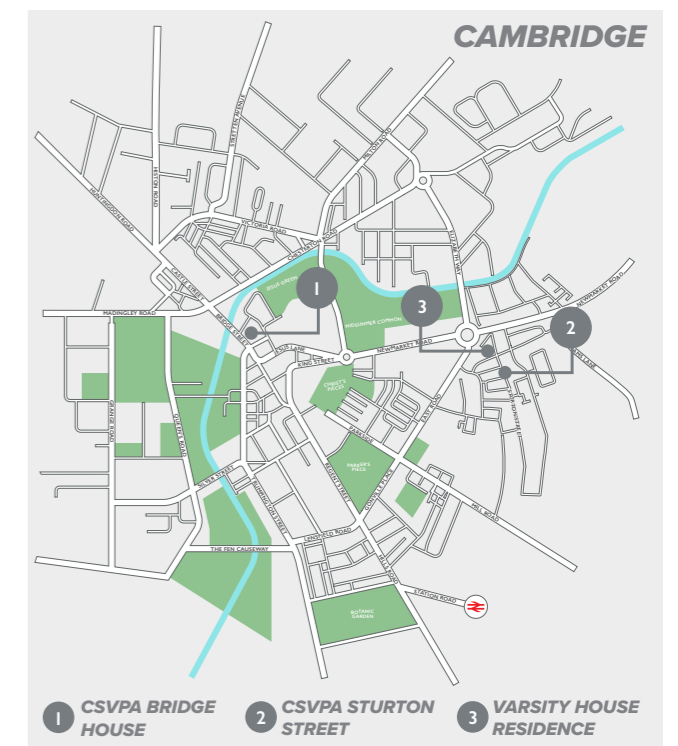

a professional career. We make sure you are adept at using all the latest equipment, processes and programmes that the creative industries use. Students have access to our studio spaces and our lecturers provide personalised tuition.

A beautiful, multicultural city, Cambridge is rich with English history and lots to do. Arts and culture can also be enjoyed with world famous museums that show some of the rarest

collections, sculptures, art and ancient antiques dating back to even the pre-historic era. There are many art galleries that are filled with contemporary and renaissance artworks.

Cambridge is one of the safest places to live in Britain. There is an abundance of shopping centres, restaurants, cafés and cinemas. On CSVPA courses there is a full day excursion to London offered.

Cambridge is easy to get around on foot, by bike or using public transport. Our Varsity House student residence is a 20 walk from our Bridge House centre in Round Church Street and 12 minutes by public transport.
